Oakland Presbyterian Church Guidelines for Sharing Space

Building use is the responsibility of the Session. Completed facility use request forms are provided to Session for approval at its monthly meeting. Ensuring that a request form is completed prior to a Session meeting is the sole responsibility of the event coordinator.

Approval of the use of the grounds and facilities does not constitute or imply endorsement of a group, their mission, or their positions. By law, no political rallies may be held on church grounds.

Time Limit

The Church facilities may be used for no longer than 4 hours per event. Session reserves the right to decrease or increase the time limit for an event on an individual basis.

Fees

There is no fee for church members or groups that are a ministry of the church to use the facilities. For all other groups, there is a flat rental fee of \$200 per event. For recurring events, a flat monthly fee of \$300 is required. Waiving of fees will be determined by the Session on a case-by-case basis.

Room Setup

Set up for the event will be the responsibility of the event coordinator. If the requester prefers that the church's Property Manager set up the event, a setup fee will be applied. Be advised that OPC does not employ a full time Property Manager. Our Property Manager is on campus on a limited basis so requests to set up for special events should be made at least two weeks in advance.

Sound Systems

The church's sound system and tech system are available upon request. The systems may be operated by a member of the church's tech team for an additional cost, or by technicians who are pre-approved by the Church Session. Equipment provided by the event coordinator cannot be attached to the church's systems through cables or connectors without prior approval.

Smoking Policy

We have a no smoking policy for all parts of the church, including the parking lot and other outdoor areas.

Alcohol and Drug Policy

The serving, consumption, or use of alcoholic beverages and/or narcotics shall not be permitted at any time on church property, including the outdoor areas. Violation of this rule is sufficient ground for immediate withdrawal of permission to use the facilities and/or denial of use in the future.

Games of Chance

Church policy prohibits the use of games of chance or gambling on the church premises. This includes such activities as raffles or lotteries. Session reserves the right to make allowances on an individual basis.

Parking

Parking on the church campus is available only during the period of time that a group has contracted to use the facility. Parking is available on a first-come, first-served basis and excludes certain spots specifically reserved for handicap drivers. Any damage to vehicles is at the owner's expense; the church is not responsible for lost, stolen or damaged property.

Security

Our church works to maintain a safe and secure environment within the facility. However, no systems are foolproof. We ask that all users pay close attention to personal property and valuables, not leaving them unattended. The church is not responsible for theft or damage to personal property.

Food and Drink

The kitchens in the Fellowship Hall and CLC are available to keep prepared foods cold or warm. In most cases, use of the kitchens to prepare foods is not allowed. If you would like to use the available appliances to prepare meals on campus for your event, please make that request known in the additional notes/request section of this form.

Release and Indemnity

This Release and Indemnity Agreement is between the above-named organization ("Organization") and Oakland Presbyterian Church.

Now therefore in consideration for the use of the Property by the Requesting Organization as described above, the Requesting Organization agrees as follows:

Requesting Organization hereby releases, discharges, and covenants not to sue the church or its administrators, directors, officers, members, volunteers, and employees from any and all liability, claims, demands, losses, or damages arising out of Requesting Organization's use of the Property. If any member, guest, invitee, or participant of Requesting Organization makes any claim against the church or its administrators, officers, members, volunteers, or employees in connection with Requesting Organization's use of the Property, Requesting Organization will indemnify, defend, and hold the church harmless from any and all litigation expenses arising out of such claim.

Acceptance of Responsibility

I agree to be responsible for the conduct of those coming to or participating in the activity for which this request is being made, and for any damage beyond normal wear and tear that may occur as a result of this activity. I will leave the church facility in the same condition as I found it, and I further agree that the church property will be used in accordance with the Guidelines stated above. I also hereby consent to the Release and Indemnity Agreement.
